

Fun and challenge!

Those of us involved in supporting MT's watersports are either passionate about sailing/windsurfing/kayaking or passionate about giving opportunities to our sons—or both!

Sailing a 420 at Datchet

Confidence, leadership, responsibility are cultivated through activity which is tremendous fun. The boys learn the skills of the sport, to look after each other, and to organize their teams and equipment.

On the MT's lake

On Mondays, sailors and kayakers practice on the lake, and continue on Wednesdays unless they are going to Datchet.

Racing at Datchet

On Wednesday afternoons, about 15 boys travel by minibus to Datchet Reservoir. Datchet is where the MT's racing fleet of 420's are kept. Fixtures with other schools happen from time to time on Wednesdays and Saturdays.

Windsurfing at Datchet

Yardarms Social Events

Sailing is a very sociable activity and we aim to share the fun with everyone in order to support the boys. Any funds raised from the activities go towards upkeep of the boats, team equipment, and to subsidise instructor training courses for boys who reach that level.

Please come along to one of the events below — all are welcome!
