The School

Merchant Taylors' School is a leading independent day school offering an outstanding, all-round education for over 960 talented boys aged 11 to 18 years. Competition for places is fierce, and entry is by competitive assessment at 11+ and 16+. Merchant Taylors' Prep School caters for an additional 370 boys from 3 to 11 years of age offering a through-school experience for appropriately suited boys.

Renowned for its high academic achievement, Merchant Taylors' pupils are intellectually able, curious and enthusiastic about learning. These qualities are fostered through an academically ambitious curriculum and forward-thinking teaching methods that seek to stretch, challenge and support boys in their studies. A wide range of co-curricular activities further inspires and develops the boys' skills, passions and interests, ensuring they develop as happy, confident individuals ready to make their mark on the world.

Public examination results are outstanding, the majority of students proceeding either to leading universities as well as medical schools in the UK or abroad. We pride ourselves on our outstanding pastoral care as well as our excellent academic results, and aspiration in all areas goes well beyond the norm, making Taylors' a particularly exciting and rewarding place to teach.

History

Merchant Taylors' School has been one of the leading boys' schools in the UK since its foundation by the Merchant Taylors' Livery Company of the City of London in 1561. One of the nine great 'Clarendon schools', its alumni have achieved distinction throughout history. However, the school wears its heritage lightly, its strong sense of tradition very much at the service of the future. Through the Merchant Taylors' Educational Trust, it retains close links with other Merchant Taylors' schools, and with the Merchant Taylors' Company itself. Relocated from the City of London to Sandy Lodge, Northwood in 1933, the School sits on 280 acres of playing fields, and woodland, all within easy reach of Central London, Middlesex, Buckinghamshire, and Hertfordshire.

Campus and Facilities

Set within 280 acres of beautiful parkland, playing fields and lakes, Merchant Taylors' is fortunate to have some of the finest school grounds in the country. With state-of-the-art facilities, it provides an exceptional educational environment for its pupils. Located in Moor Park in North London, Merchant Taylors' is just a 30-minute underground journey from Central London and is easily accessible from Hertfordshire, Middlesex and Buckinghamshire.

The School's impressive sporting infrastructure includes 60 acres of playing fields, a new world-class five-lane indoor cricket centre, cricket nets, ten cricket squares, a heated indoor pool, a large indoor sports hall, three floodlit all-weather hockey pitches, lakes for sailing and windsurfing, floodlit hard tennis courts, squash courts and an athletics track.

The state-of-the-art Design, Engineering and Technology building has university-standard equipment.

The Performing Arts are well catered for with rehearsals, recitals, chamber concerts and recordings taking place in the bespoke Recital Hall, while major concerts are given in the Great Hall. The Studio Theatre provides another rehearsal and performance space for plays throughout the year

Innovation

Digital Learning is a key tenet of our provision for exam classes: pupils studying for GCSEs and A Levels each have their own Surface tablet, working digitally on OneNote for most of their lessons. Staff are provided with Surface Pros and this has allowed us to reimagine what school work looks like, enhancing collaboration, differentiation, tailored feedback and engagement. Merchant Taylors' is an exciting, rewarding environment in which to teach and provides the means for the development of a successful career in a place with a real sense of community.

The Person

You will join an extremely successful department comprised of a friendly, supportive, and experienced team of six subject specialists. You will have strong subject knowledge across human and physical Geography appropriate for students studying the subject at Key Stage 3, 4 and 5 and your academic strengths should complement the department's work beyond the formal curriculum to support the academic enrichment programme.

We are looking for the ability to inspire the boys and to engage students in both the academic rigour of Geography as well as its direct application to real world issues. Our curriculum requires teachers be approachable, compassionate, and excellent communicators of knowledge. There is a strong culture of collaboration within the department and all department staff are expected to contribute to designing and resourcing the continually evolving curriculum.

Beyond the classroom, department staff are expected to contribute to expeditions, fieldwork and extra-curricular activities. A successful candidate should understand and respond to the needs of their students and be able to provide detailed and supportive feedback which promotes progress at all levels. The school embraces the most diverse range of teaching styles and personalities, believing that boys benefit from exposure to such diversity and there is a strong commitment to independent learning.

The Department

The Geography Department is a major part of academic and extra-curricular life at Merchant Taylors' School. All students take Geography from Year 7 to 9, over 100 students take the subject for GCSE, with over 30 continuing with Geography at A Level. We currently follow the AQA specification at GCSE and A Level. In 2024 about 10% of the UCAS applications were to study the subject at university, and we have a strong record of supporting successful Oxbridge applications. At A Level 82% of students achieved A*-A grades, and at GCSE 88% achieved 7-9 grades.

We welcome applications from people who are committed to helping students realise their potential. The department provides a significant contribution to the school's extra-curricular activities. Trips are run off site for most year groups, including GCSE fieldwork to the Kings Cross and the River Chess and A Level fieldwork to Shoreditch and the Isle of Wight. We also run regular expeditions abroad, including a Middle School trip to Iceland (2025) and an Upper School trip to Israel-Palestine (2019).

The Senior Geography Society is very active, with regular lectures from staff, students and visiting speakers. The Junior Geography Society is equally enthusiastic and builds Lower School students' love for the subject. Geography is taught in a purpose-built department building which has six classrooms, two IT classrooms and two study rooms which are equipped with VR and AR teaching resources. Students in Year 10 and above benefit from the use of personal devices which are used in the vast majority of teaching within the Geography Department.

The Role

This position is, initially, a fixed term role, either for one year from September 2025, or for two terms if starting in January 2026.
