Uniform Guide
2026/27

At Merchant Taylors' School high standards of personal appearance are expected, and dress should be at all times smart and clean. We have created this uniform guide to help ensure that pupils come to School correctly equipped. All uniform, kit and equipment must be clearly named. Uniform should be correctly worn both in School and on the journey to and from School.

Hair should be neat, tidy, and clean; it should be conventional in style and not too short. If longer than collar length, hair should be tied back at all times. It should also be a natural colour throughout.
