Co-Curricular Activities Booklet

Autumn Term 2025

Welcome to Merchant Taylors' School Co-Curricular Activities Booklet!

In this booklet, you will find information on all the co-curricular activities on offer for the Autumn Term at MTS. They are listed alphabetically but the index page also lets you know which activities are available to which year groups – if it is not specified, the activity is available to ALL students. The year groups are labelled as Years 7 to 13, which in MTS 'language' is as follows:

- Year 7 – 3rd Form
- Year 8 – U3rd Form
- Year 9 – 4th Form
- Year 10 – Divisions
- Year 11 – 5th Form
- Year 12 – L6th Form
- Year 13 – U6th Form

There are always so many things going on at MTS – we want you all to find your niche and get involved in a variety of activities during your time here. Not only is there sport on Saturdays and Outdoor Education on Fridays and Sundays, but there are also activities happening every lunchtime of the week and most days after school as well.

If you have any queries about any of the activities, please contact the staff member who is listed as the 'Lead Staff/Contact' in the booklet and they will be happy to give you more information. If you wish to start up your own club, please speak to Mr Greenaway or Miss Trafford who will be able to help you.

Most importantly, get involved! You will learn new things, make new friends and have new, interesting and exciting experiences along the way!

The Co-Curricular Programme aims to:

- Support the development of well-rounded, interesting pupils and promote honesty, diversity, hard work, confidence, loyalty, leadership, self-esteem, service and enjoyment;
- Help pupils make memories and forge friendships for life;
- Provide a breadth and balance of activities.

(THE) HERRICK: ENGLISH LITERATURE SOCIETY

'The Herrick', named after OMT Robert Herrick, the 17th Century metaphysical poet, is a society dedicated to those with an intellectual curiosity for English. Its purpose is to introduce students to the wider world of literature and language in ways that go far beyond the exam syllabus. The Herrick is a meeting point of different disciplines, a place where you will discover writers, texts and ideas that will enlarge your mind, feed the soul, and make you see the world and humanity in a more complex and different light.

Meeting weekly or fortnightly, The Herrick takes the form of an informal presentation, by either a teacher or student, followed by lively discussion. It feels very much like a university seminar and is the perfect preparation for those looking to take a degree English or in the wider arts and humanities.

LITERATURE IN TRANSLATION

Storytelling lies at the heart of what it is that makes us human. In this club, we will explore literature in translation, discovering how other cultures tackle the big questions of life, as well as the smaller questions. Exploring texts in translation will highlight the crucial role that words and stories play in our lives, as well as opening doors to comparative literature and exploring the difficulties of translation. With my background in German literature, we will start with a short story from German and then we will see where the discussion takes us!

Year Group(s): Years 10-13;

Time: Tuesday LUNCH HOUR;

Frequency: Fortnightly Week A;

Location: CL70

STORYTELLING CLUB

Storytelling Club seeks to revitalise the traditional art of oral storytelling. Taking place once every half-term on a Friday after lessons, everyone is invited from across the school community, either just to listen or, best of all, to tell a story. The stories take all kinds of different forms, including folktales, myths, ghost stories and those you have created yourself. But there is one golden rule: stories must be told from memory and not read; this is what creates the magic between the teller and the listener. So come lose yourself in the world of a story and enjoy the finest in school catering.

Year Group(s): Years 7-8;
