

MERCHANT TAYLORS'
School

June 2026

Dear Parents,

SCHOOL CLOSURE IN THE EVENT OF BAD WEATHER / AN EMERGENCY

If we have to close the school during a school day, we will attempt the following:

Post a notice on the School website
Send a text message to every parent who has supplied us with details
Make school telephones available for the boys to contact their parents
Keep the boys at school until they can either be collected or make their own way home
Have staff on site to look after any boys who are in school
Allow parents to contact the school on the usual numbers

If we have to close the school overnight or before the start of a school day, we will attempt the following:

Post a notice on the School website
Send a text message to every parent who has supplied us with details
Have staff on site to look after any boys who arrive at school - in such cases, we will keep any boys at school until they can either be collected or make their way home
Most parents have already given us their mobile telephone numbers. However, if your number has changed or you wish to register with us, please e-mail the school on info@mtsn.org.uk.

Yours sincerely,

Dr A R H Clarke

Senior Master
