Footwear

Footwear is very important for growing boys. We recommend:

- PE: Running shoes with laces are best
- Hockey: Astro-turf shoes or football astro trainers with good grip
- Rugby: Screw-in studded boots (preferred over bladed)
- Cricket: Spikes (*optional*)

Protective Equipment

Boys are expected to use the following safety equipment for the following sports;

- Rugby: Gumshield for any contact situation.
- Hockey: Gumshield and Shin pads for all gameplay situations.
- Cricket: Relevant cricket equipment for batting.

Boys who lose or do not have their gumshield can get one from the school nurse during the week. The cost of which will be added to the pupils' school bill. Properly fitted gumshields are recommended for comfort but boil-in-the-bag gumshields are just as effective.
