

MERCHANT TAYLORS'
School

Dear Parent/Guardian,

I hope this message finds you well and that your son is looking forward to starting at Merchant Taylors' in September.

My name is Scott de Weymarn, and I am the Director of Rugby at Merchant Taylors' School, as well as Assistant Head of Middle School. I am passionate about ensuring that every boy, regardless of experience, feels welcomed, supported, and excited to get involved in rugby and sport during his time at the school.

We are delighted to invite you and your family to our MTS Rugby Club Day on Sunday 6th September (10:00am – 12:00pm), which will take place at the start of the new term.

This event is designed as a fun, relaxed and inclusive festival of rugby, and is a fantastic opportunity for boys and their families to:

- Meet other pupils and parents
- Get to know the rugby staff and senior students
- Experience rugby in a friendly, non-contact format (touch rugby)
Begin to feel part of the MTS community from the very start of the term
- No prior rugby experience is needed at all - this is about participation, enjoyment and community.

The morning will include:

- A touch rugby festival open to pupils, parents, staff and Old Merchant Taylors (former pupils)
- Skills and activity stations for boys to try rugby in a fun and supportive environment
- Opportunities to meet our parent support group, the Scrummers, who play an important role in supporting rugby at the school

There will also be a chance for parents to meet one another and begin forming the connections that are such an important part of life at MTS.

We very much hope that you and your son will be able to join us for what promises to be a brilliant start to the rugby season.

If you intend to attend, please complete the short expression of interest form below to help us with planning numbers:
